7.77 Digital Skills for Every Generation

A national digital empowerment initiative led by **Algeria's Ministry of Post and Telecommunications**, in partnership with **Algérie Télécom** and **Mobilis**.

7 → 77
Age Range Covered (Years)

07
Skill Centers (Across Algeria)

It aims to strengthen digital skills for citizens aged 7 to 77 through practical, inclusive, and accessible training in areas such as artificial intelligence, cybersecurity, coding, data, cloud technologies, and digital entrepreneurship.
